The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

25 December 18, 2018

CELIA ZAVALA
EXECUTIVE OFFICER

APPROVAL OF INFORMATION TECHNOLOGY FUND TO ACQUIRE ENTERPRISE IDENTITY ENABLEMENT SUBSCRIPTION

(ALL SUPERVISORIAL DISTRICTS – 3 VOTES)

SUBJECT

Requesting approval to utilize \$404,173.26 from the County's Information Technology Fund (ITF) to acquire an Enterprise Identity Enablement (EIE) Subscription from Microsoft.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the utilization of \$404,173.26 from the ITF to acquire a five-month EIE subscription from Microsoft.
2. Authorize the Internal Services Department (ISD) to issue a purchase order utilizing the County's Microsoft Enterprise Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

ISD, in collaboration with the Office of the CIO (OCIO), is leading a Countywide Identity and Access Management (IAM) initiative. The IAM initiative will implement a critical foundational enterprise platform that will connect employees, applications, and technology services to a common identity solution by eliminating the need for multiple logins and unique IAM solutions for department applications. This IAM initiative will help ensure that user credentials to access County systems are centrally controlled and managed in conjunction with personnel actions (new hires, transfers, and leaving County employment) maintained by the County's eHR system and will be a foundation platform to securely manage County and personal devices that access the County network. The EIE

subscription includes a license for Azure Active Directory, Intune Mobile Device Management, Azure Information Protection, Advanced Threat Analytics and Microsoft Identity Manager for all County employees.

Implementation of Strategic Plan Goals

The recommendation supports County Strategy II.2.3 Prioritize and Implement Technology Initiatives That Enhance Service Delivery and Increase Efficiency.

FISCAL IMPACT/FINANCING

The total cost of the five-month subscription for EIE is \$404,173.26 (80% discount from the current Enterprise Agreement pricing schedule). The ongoing cost for EIE will be included in the renewal of the County's Enterprise Agreement with Microsoft in June 2019.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

There are no legal requirements or prohibitions to this recommended action. The software licenses will be purchased using ISD's Enterprise Agreement with Microsoft.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The EIE subscription will directly support ISD's IAM initiative to more effectively secure the use of employee credentials to access County systems.

Respectfully submitted,

SACHI A. HAMAI

Chief Executive Officer
